

FLOPPYSKILL . FOR CLAUDE CODE

HOW TO USE YOUR FLOPPIES

STEP 1

Get your floppies

Open your redeem link and click
Download all.

◀ back to start

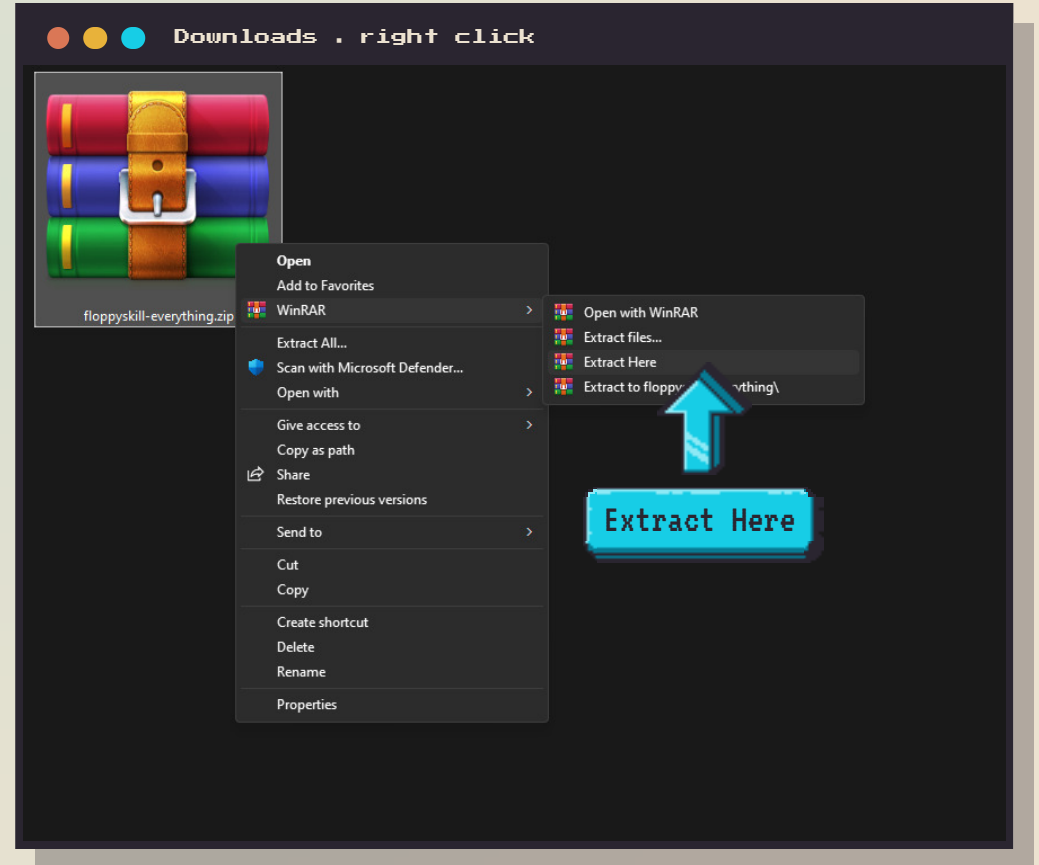

STEP 2

Unzip it

Right click the .zip → **Extract Here.**

← back to start

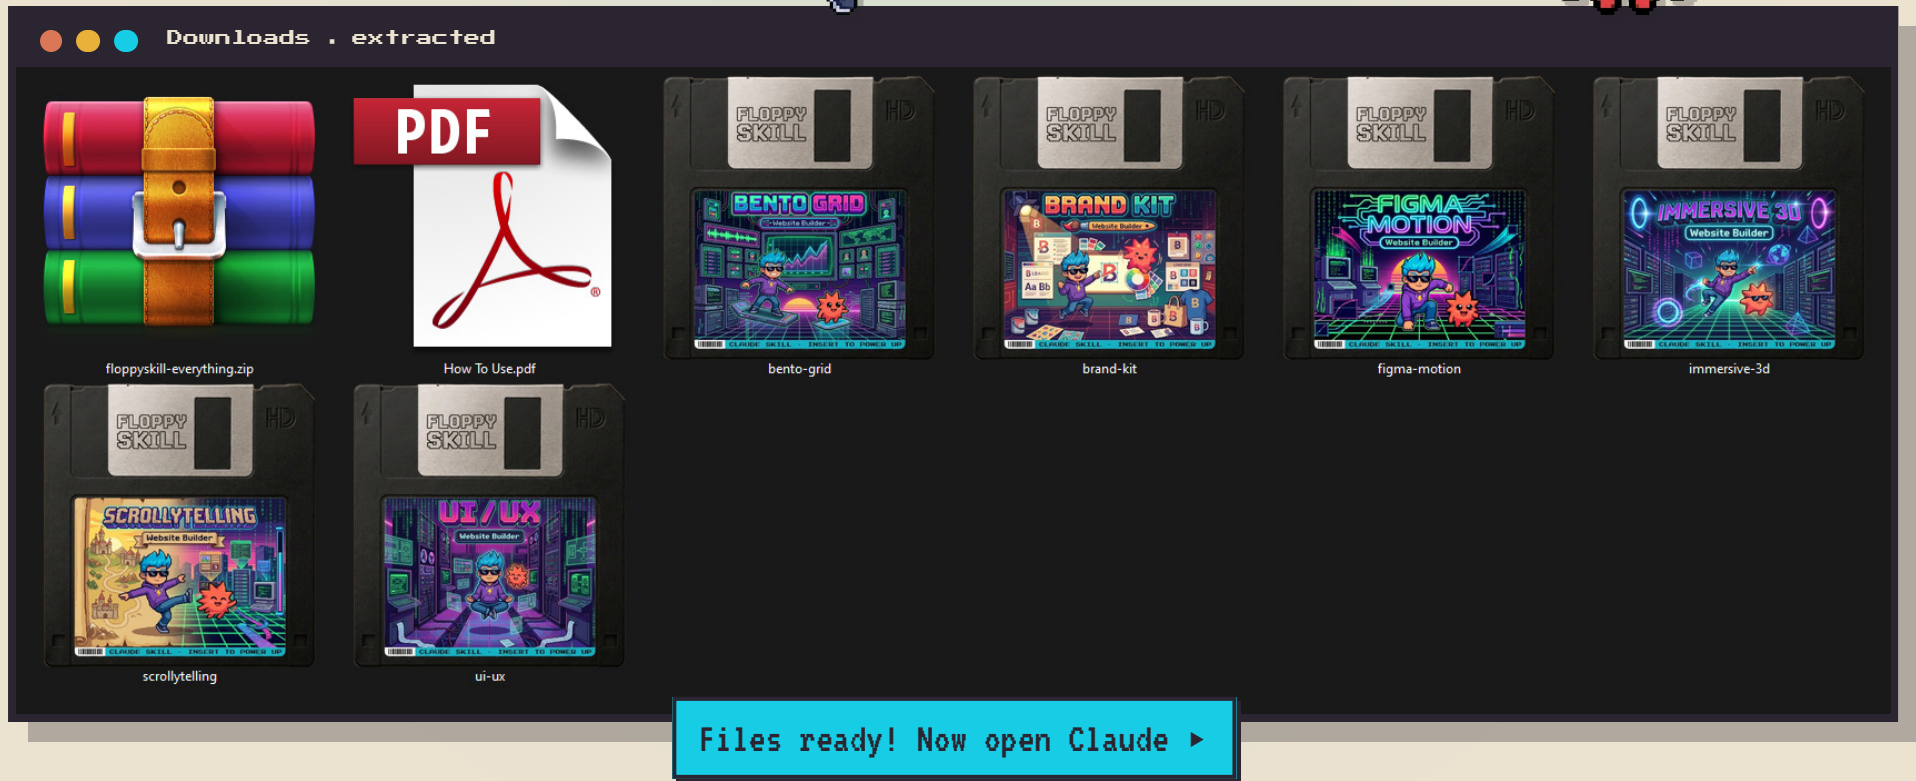

Extract first, don't run skills from inside the zip.

STEP 3

Meet your floppies

They actually look like floppies!

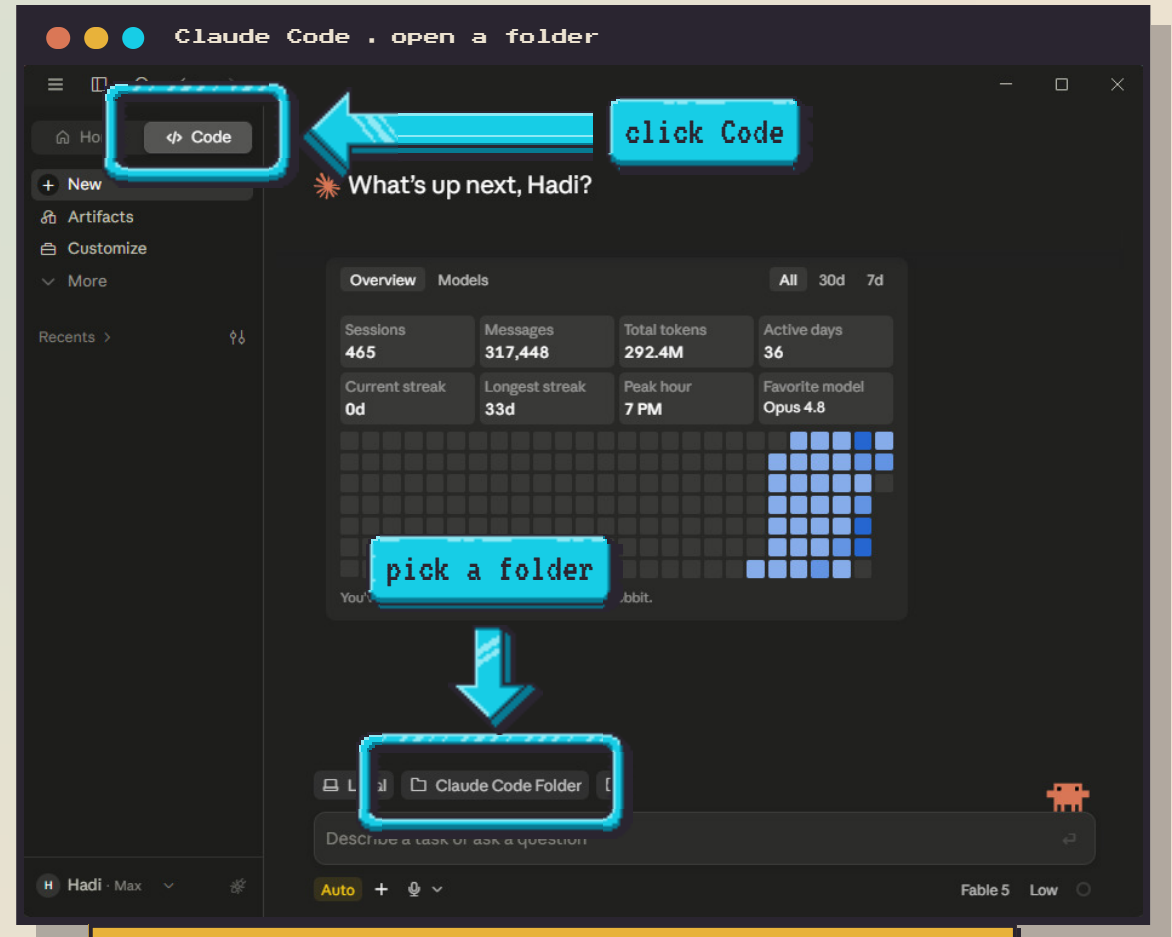

Files ready! Now open Claude ▶

◀ back to start

STEP 4

Open Claude Code

Click the **Code** tab and pick a folder for Claude to build in (if you haven't already).

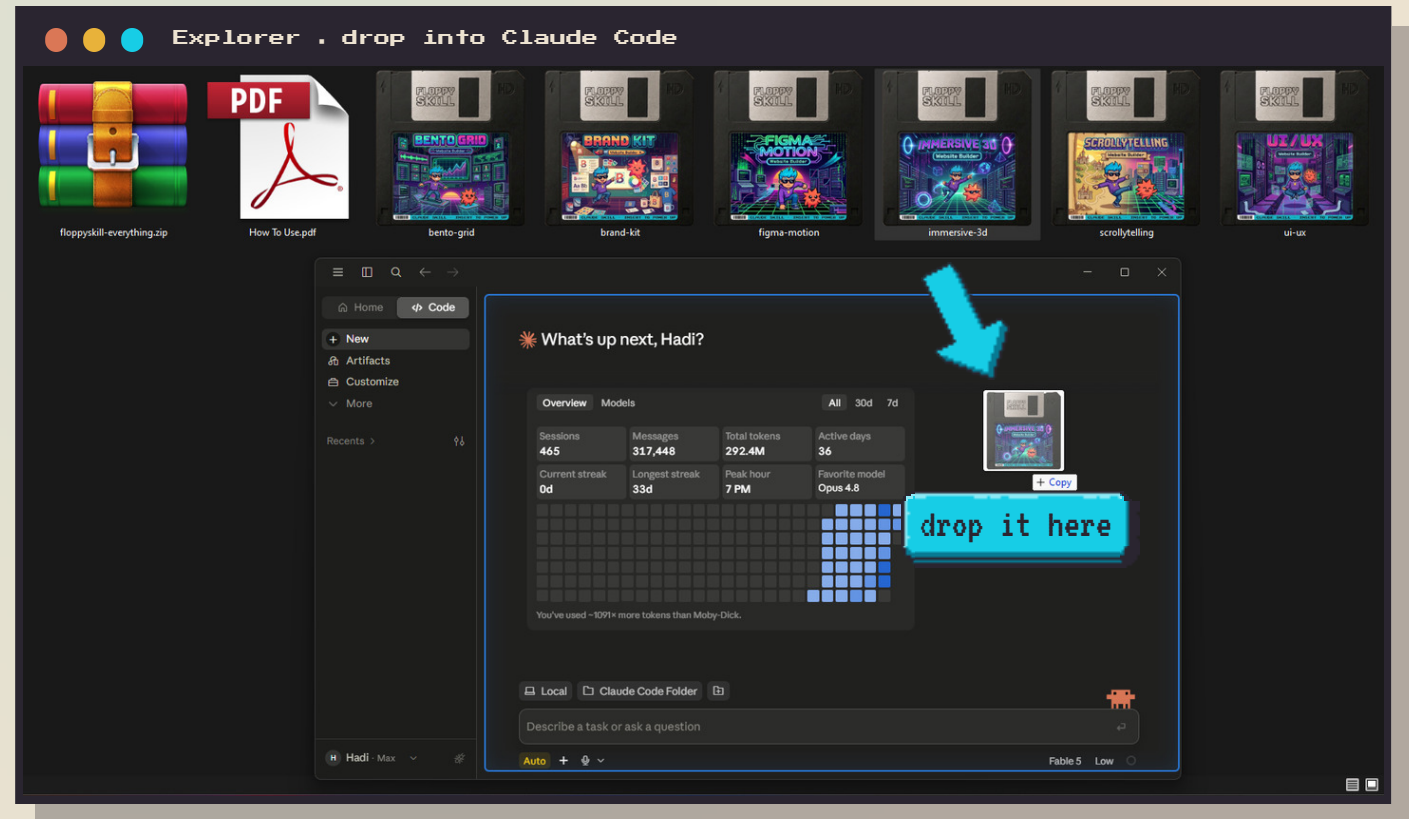

[back to start](#)

The folder is just where your site's files get saved.

STEP 5

Drag & drop

Click, drag, and drop a floppy into your Claude Code session.

Drop as many floppies as you like to mix them.

← back to start

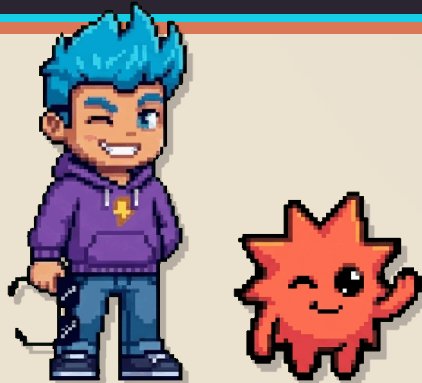

STEP 6

Say the magic words

Tell it to use the attached skill, fill the blank, hit send.
THAT'S IT!

THE MAGIC WORDS

"Use the attached skill(s)
to build me a ..."

hit send

DON'T FORGET!

Mix & power up

Drop as many floppies as you like into one session and build with them all at once. Then engage a stronger model, like Opus or Fable 5 on Ultracode, for even more amazing results.
